

**BHARATIYA JANTA PARTY**  
Delhi Pradesh  
**DELHI VISION DOCUMENT**

**OUR PLAN**

- » **CLEAN, TRANSPARENT AND RESPONSIVE ADMINISTRATION**  
A lasting arrangement will be made to make clean and transparent administration available to every citizen of Delhi. The personnel of government departments will have to dispose of work within a fixed limit. No citizen will have to unnecessarily waste time in any government office. For every work government servants will be made responsive and responsible.
- » **RIGHT TO INFORMATION**  
All the citizens will have the fundamental right to information. Everyone will be able to get information from any government department freely. The person desiring to get any information for documentary certificate will have to pay only for the documentary certificate will have to pay only for the Photostat copying. Only the information impinging upon national interest and security will be kept secret.
- » **MAKING DELHI CORRUPTION FREE**  
Special arrangements will be made to make Delhi corruption free. 100 telephone numbers will be made available to the citizens of Delhi through audio-visual and print media on which the affected person or any other person will be able to register secret information on exploitation or corruption any time. A high powered judge will be designed to every telephone who will immediately initiate process to catch the exploiter or corrupt person red handed and to get him punished.
- » **BASIC INFRASTRUCTURE**  
We shall make the basic infrastructure like power, telecommunications and information technology so strong that Delhi will be able to compete with any developed country. High quality facilities in these areas will be made available to citizens of Delhi at reasonable rates. Delhi will keep pace with the fast world wide progress in the areas of power, telecommunications and information technologies. By preparing long term plans for electricity, water, roads, transport, communication, information, street lighting, sewage, security, sanitation, environment and greenery, Delhi will be developed with strong basic

infrastructure. Uninterrupted electric and water supply will be our foremost priority.

» **HOUSING PROBLEM**

An extensive campaign will be launched to solve the housing problem of Delhi. Loans on low interest rates will be made available to those living on rent.

» **ELECTRICITY AND WATER**

Arrangements will be made for the supply of electricity and water keeping in mind the expansion that will take place during the next 50 years so that citizens and institutions get uninterrupted supplies at reasonable rates and with international standards of quality.

» **EXTENSION IN HOUSES**

Approval to construct an area storey will be accorded to all the house owners of Delhi to mitigate the housing problem of Delhi.

» **RESIDENTIAL EMPLOYMENT**

No trade tax will be realized from the permanent residents who have opened small shops in their houses in the residential areas of Delhi or are running any venture without polluting the atmosphere.

» **EDUCATION & CULTURE**

Delhi will be developed in such a way in this age of knowledge explosion that the students are able to receive full knowledge about every desired area of education. Delhi will be developed as the cultural capital of India.

» **UNIVERSITY FOR THE MENTALLY AND PHYSICALLY CHALLENGED**

A unique residential university will be set up in Delhi where the mentally and physically challenged students will be educated and trained to make them self dependent.
